FAQ

1. Who are we?

As the first treadmill manufacturer in China, Huixiang begins to design and manufacture treadmills from 1996. We have always been committed to creating happiness and health for the public.

2. Which service can we provide?

a. Pre-sale service

Recommend products according to customer's requirements;
Introduce products in details, include features, parameters and so on.

b. In-sale service

Design and confirm every detail to meet customer's demands

c. After-sale support

b. STRONG COVERAGE STRENGTH WITH 1500 TREADMILL OUTLETS

After many years of market tests, Huixiang has established 1500 terminal outlets, more than 500 dealers and strong three-tier market networks in province, city and county. It makes the “last mile” service come true from purchase to maintenance.

c. 36 QUALITY INSPECTION PROCEDURES

Our treadmills go through four inspection procedures in whole, the first is workmen inspection, the second is upper and lower link mutual inspection, the third is middle inspection by quality inspection department(ground, withstand voltage, insulation 100%) and the forth is storage inspection. Every Huixiang treadmill can be traced throughout with its own unique number, dedicated test item list and 36 factory quality inspection procedures.

d. SMART FITNESS WITH EXCELLENT R&D CAPACITY

With scientific fitness program, the new products link PC-side and mobile-end to provide smart fitness methods, and stimulates the sports scenes to enhance smart fitness experience.
